DECLARATION OF CONNIE HANNAH

I do hereby declare as follows:

1. I am a GS-11 civilian employee, with the Fleet and Industrial Supply Center ("FISC"), located in Norfolk, Virginia. Specifically, I am assigned to the Microcomputer Support Division of Code 80 within FISC. I am a computer specialist and have worked at FISC since 1987.
2. Since January 1994 I have had nearly daily contact with Lt.(jg) Selland, who is the Deputy Director for Small Purchase in FISC. While I am aware of his sexual orientation, as are others in Micro Computer Support, that has no bearing on my working relationship with Lt.(jg) Selland. Several members of my office work closely with Lt.(jg) Selland to implement the LAN (local area network) to allow FISC's outlying procurement sites access to INTERNET. Dirk is greeted with warmth and openness every time he enters the office.
3. Lt.(jg) Selland is the financial advisor to the Welfare and Recreation Association (WRA) which is just one of his many collateral duties. As President of this organization, I and the other committee members have worked closely with Dirk. We are proud of our working relationship. Lt.(jg) Selland has performed equally as well, if not better than his predecessor LCDR(sel) Moore in fulfilling the same role. His orientation is not a topic of conversation. In fact, he performs his job in an assertive, professional, and business-like manner and has made a positive impact both on the committee and at FISC. Lt.(jg) Selland routinely injects new ideas and is truly concerned about improving the morale at FISC. I further stress that he is not only well liked but also admired by others on the committee and in the office.
4. I hereby declare under penalty of perjury that the foregoing is true and correct.

Executed by me this 6th day of July, 1994, at Norfolk, Virginia.
